

The health authorities of the Mayarí municipality ratified the national report issued today from the Cuban public health ministry, where they were informed of a new positive case of covid-19 belonging to this territory in the northeast of Holguín.

The 25-year-old patient, a confirmed case contact, is a neighbor of the March 13 distribution in the municipal seat, according to Dr. Raudel García Estopiñán, director of public health in Mayarí.
